Suggestions of Faculty

1. Lack of Research

2. In present I semester syllabus there should be some changes as the same topics are repeated in different units. And the psychology practicals are not relevant with the syllabus of I semester education and

3. Well equipped infrastructure is much needed.

4. Pre Ph. D course work should be conducted in the college.

5. NCC required

6. The students should be motivated and encouraged in order to bring out the best version of themselves.

7. Ph. D course work should be conducted in the college. All subjects should have their own Departments separately not collectively.
